

May 4, 2009

Dear Brothers and Sisters,

I greet you all first of all in the glorious and marvelous Name of our Lord and Savior Jesus Christ!

At this moment I am soon to leave the United States to return home to the Democratic Republic of the Congo. I will be leaving tomorrow, May 5, after eight weeks of visiting certain churches of the Evangelical Free Church of America. I also had the privilege of attending the Exponential New Church Conference 2009 in Orlando.

It gives me much joy to take this opportunity to express to you my deepest gratitude for the hospitality and interest that you showed me and ReachAfrica. Many of you have helped me so much and some have begun already to send your support for us. I cannot list you all by name. I'm very thankful. May God bless you. Thank you as well for your prayers and the privilege you gave me to share our vision. We want to impact the more than 260 million people in unreached groups throughout Africa. Our great desire is to recruit, equip and send African missionaries among these unreached people groups.

I would like to ask you to join me in prayer that God would:

- *provide all our financial needs to move our family to Kinshasa (the capital city) as soon as possible in order to better lead ReachAfrica.*
- *bless our trip to Togo June 1st - 5th to train church planters, as well as our visit to Niger June 6th – 14th.*
- *provide the financial needs of ReachAfrica.*
- *open the doors to reach the unreached people of Africa.*

God bless you richly!
