

# Challenge 2010

- Dates: June 24th—July 4th
- For all Students currently involved in Common Ground Student ministries
- Cost: \$800 (This is a tentative cost. This just gives you an idea of what the cost will be) This covers the conference, Flight, Food, Lodging, Trip to Cedar Point and other trip cost.
- Fundraising: We will be doing fundraising throughout the year to try and help with the cost of the trip. We will do another auction if there are parents who are willing to help Frances pull it off. It takes a lot of work, but the last one raised around \$5000. We will continue doing rent a student and profiling it with the congregation. We will also continue to do the Flying Tomato nights or take over nights at other restaurants. If you have other ideas please let Frances or I know.
- The cost break down is \$73.00 a month between this August to June of next year.
- Please start praying for this conference. Challenge has the opportunity to have a significant influence on your student.
- Below is what the EFCA website says about the Challenge Conference.

## Challenge 2010 Conference

**June 28 - July 3, 2010**

**Columbus Convention Center**

**Columbus, Ohio**

Theme: **UNDO:** You cannot follow Jesus and remain the same. Jesus guarantees to change both your life's desires and trajectory. Life that is truly life flows from the soul that has been "undone" by the all consuming love of Christ. His burning presence leads to an undoing of all that has defined your place, purpose, and priorities in this world. And yet, it does not merely expose the artificial but also awakens your imagination to dream of a way of life and love that cannot be confined by the systems of this world. To be undone is both a desperate cry and a costly call. **UNDO!**

**CHALLENGE 2010 exists to help students redefine what it means to love God and love others as seen through the lens of the Beatitudes.**

Challenge is an every other year growth level conference for junior and senior high students that daily combines great worship and challenging speakers with youth group dynamics for ministry outreach in the site city, training sessions on pertinent topics and recreational activities. It is an opportunity for youth groups to travel together, to worship and learn together, to serve together, to play together and to be challenged to grow in their faith as individuals and as youth groups - to become effective Christ followers who impact their world for Jesus Christ.
